

How are **you** managing infection...

Contact your local Acely™ Account Executive or call **800-668-5403** to learn more about wound cleansing with **V.A.C. VERAFLU™** Therapy* and **PROMOGRAN PRISMA™** Wound Balancing Matrix

* V.A.C. VERAFLU™ Therapy is not indicated for treatment of infection. It can be used in the management of infected wounds along with the appropriate clinical protocol such as debridement and antibiotic treatment.

NOTE: Specific indications, contraindications, warnings, precautions and safety information exist for KCI and Systagenix products and therapies. Please consult a clinician and product instructions for use prior to application.
